### S2W IMPACTcommunity Purpose:

1. create better access to high quality training/educational materials, options, and pathways
2. help build relationships between employers, workforce centers, and the educational arena.

### Revised Needs Statements

1. Workforce Partners (WDBs, CBO, Chambers, and Employers) need vetted high quality workforce training materials packaged to their specific needs. Partners need to be educated on the source of the content as well as an understanding that the materials are available for rework, reuse, and remix and digitally stored on SkillsCommons. (merged 1 and 2. Connects to the old #2 by explaining the source of the content came from designed curriculum from a cc and ensuring their specific needs)
2. Workforce Partners (WDBs, CBO, Chambers, and Employers) need have to early engagement in the design and development of the educational offerings.
3. All partners (education and workforce) need a common vocabulary to help identify the core set of skills and targeted education that potential employees need in the workplace (e.g. applied knowledge, workplace skills, personal skills, people skills, etc...)
4. All partners (education and workforce) need to increasing find ways to combine their efforts to achieve their organizational goals and better serve students and job seekers.
